

# Users Page

The “users” page displays a list of users and also indicates whether their devices are updated and synchronized. You can also see a dial at the top indicating how many Field users you have, and if you have any available licences.

## Users

**BUSINESS TIER**  
Unlimited users  
You have 45 active users. Please contact us if you want to add more users

45 Users

 PHUNYEZWA Clocked in since 10:24 AM	<b>0:46</b> Todays clocked in time	 Device busy syncing: 3
